

SeaSafari's classical Archipelago BBQ

One of our most popular events!

We pick you up after work. The tour goes via Vaxholm and out through the archipelago. After an action-packed hour we arrive at the island. You enjoy an aperitif while our chef prepares the BBQ.

A lovely BBQ buffet is served and we sit around the fire enjoying the food and the silence in the archipelago.

The BBQ is a mixture of typical Swedish dishes and served with grilled vegetables and gravy.
